

**MERKINNÄT:**

- Weight sounding test
- Soil samples
- Groundwater level/primary water level observation tube
- Observation period
- Point identifier
- Depth of completion of drilling
- Groundwater level in the groundwater pipe
- Gw +5.46...+6.54
- 23.4...-14.8.2020
- +8.12
- Ground surface level
- Level of completion of drilling
- Property line
- - - Project area
- +112 Contourline (NLS, database)
- Investigation from Lakkikeidas1 project

**Geotechnical areas**

- Zone 1 (silty sand, glacial till)
- Zone 2 (peat)
- Zone 3 (silt, clay)
- Rocky surface

Consists data from the National Land Survey database 09/22.

ELEVATION SYSTEM: N2000  
 COORDINATE SYSTEM: ETRS-GK22
