

**MERKINNÄT:**

- Weight sounding test
- Soil samples
- Groundwater level/primary water level observation tube
- Observation period
- Point identifier
- Depth of completion of drilling
- Property line
- Project area
- Contourline (NLS, database)
- Ditches
- Rocky areas
- Investigation from Lakkikeidas1 project

Observation period: Gr +5.46, +6.54; 23.4.-14.8.2020  
 Point identifier: 710, 8.00, 1.12, 1.12  
 Depth of completion of drilling: 8.00, 1.12  
 Groundwater level in the groundwater pipe: +5.46, +6.54  
 Ground surface level: +8.12  
 Level of completion of drilling: 1.12

Consists data from the National Land Survey database 09/22.

ELEVATION SYSTEM: N2000			
COORDINATE SYSTEM: ETRS-GK22
